PECB

PECB Certified ISO 20121 Foundation

Become acquainted with the best practices of Event Sustainability Management Systems (ESMS) based on ISO 20121

Why should you attend?

ISO 20121 Foundation training enables you to learn the basic elements to implement and manage an Event Sustainability Management System (ESMS) as specified in ISO 20121. During this training course, you will be able to understand the different modules of an ESMS, including ESMS policy, procedures, performance measurements, management commitment, internal audit, management review and continual improvement.

After completing this course, you can sit for the exam and apply for a "PECB Certified ISO 20121 Foundation" credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, framework and management approach.

Who should attend?

- Individuals involved in Event Sustainability Management
- Individuals seeking to gain knowledge about the main processes of Event Sustainability Management Systems (ESMS)
- Individuals interested to pursue a career in Event Sustainability Management

Learning objectives

- Understand the elements and operations of an Event Sustainability Management System and its principal processes
- Acknowledge the correlation between ISO 20121 and other standards and regulatory frameworks
- Understand the approaches, methods and techniques used for the implementation and management of an ESMS

Course agenda

DURATION: 2 DAYS

- Day 1: Introduction to Event Sustainability Management System (ESMS) concepts as required by ISO 20121
- Day 2: Event Sustainability Management System requirements and Certification Exam

Prerequisites

- None

Examination

DURATION: 1 HOUR

The "PECB Certified ISO 20121 Foundation" exam fully meets the requirements of the PECB Examination and Certification Programme (ECP). The exam covers the following competency domains:

- Domain 1: Fundamental principles and concepts of an Event Sustainability Management System (ESMS)
- Domain 2: Event Sustainability Management System (ESMS)

For more information about exam details, please visit Examination Rules and Policies.

Certification

Upon the successful completion of the exam, you can apply for the credential "PECB Certified ISO 20121 Foundation". For more information about ISO 20121 certifications and the PECB certification process, please refer to the Certification Rules and Policies.
